PERFORMING AT THE CUSTER BEACON — Quinlan Valdez will take to the stage at The Custer Beacon this Thursday, May 18. After learning the banjo and guitar Quinlan began writing his own songs and making his way as a professional musician. Listeners commonly relate his style to the likes of artists such as Bob Dylan and Cat Stevens while still realizing his own character. Since 2018, Valdez has released three albums and one EP, has been played all across Wyoming, and continues to expand through neighboring states. He's been able to share a stage with the likes of Alan Crossland, Chad Lore and other acclaimed Wyoming artists. He has even been invited to Artcore and played a number of festivals across the state.

We Cancel Timeshares for You

Many people believe their timeshares cannot be canceled, but they often can be. Our founder and CEO, Chuck McDowell, has successfully fought in federal court for the right to help timeshare owners — like you — out of their "binding" agreements. Whether you were misled or pressured, you may have an easy exit.

How Does the Cancellation Process Work?

- Start with a FREE consultation to discuss your needs.
- If we see that the circumstances of your agreement qualify you to exit the timeshare, you'll be assigned a specialist to walk you through gathering documentation.
- Our Resolution Department then works quickly to have your timeshare and related fees permanently terminated.

We are able to help most timeshare owners that contact us. You could be one phone call away from complete peace of mind.
