Pet of the Week

Pepper is a sweet Border Collie mix that was just surrendered as his owner was going overseas for an extended period of time. Pepper loves toys, likes other dogs, likes kids but we're not sure about cats, as he was never around them. He seems to listen to commands. He has been neutered but is not microchipped.

All 'Pet of the Week' listings are available for adoption at the Battle Mountain Humane Society, 27254 Wind Cave Rd., Hot Springs, SD 605-745-SAVE (7283) or (Offc.) 605-745-PAWS (7297)

PRINT IS NOT DEAD.

Our brains remember print. Why? Because print commands our attention in a way that digital ads do not.

They are also more credible with a large number of people (71 percent) trusting print ads over television or online ads.

Newspapers are also far from dead with nearly 70 percent of Americans still reading them — 50 percent of those readers consume them in **print only**. You gotta be in the paper!
